Dear Valued Customer,

Welcome and thank you for your interest in our company.

Aluf Plastics is a minority, woman-owned (WBENC Member) manufacturer of custom, retail and private label trash bags. We've been in business under the same ownership since 1977 and maintain state-of-the-art facilities in Orangeburg, NY and Sulphur Springs, TX.

We've grown into one of the largest manufacturing and blown-film extrusion powerhouses in North America and yet maintain that personal one-on-one, individualized relationship with each and every customer.

Please take a moment to peruse though this catalog. Have questions? Need more information? Have a special request? Our knowledgeable Sales team is standing by to provide you with the answers and the attention you deserve.

We appreciate the fact that you've chosen to do business with Aluf Plastics and pledge to consistently serve you with the highest levels of dedication, reliability and professionalism.

Thanks again for you patronage.

Yours truly,

Susan Rosenberg

Chief Executive Officer

Sustainability and Aluf

Aluf Plastics supports and invests in sustainable manufacturing and recycling solutions.

WHAT IS SUSTAINABILITY?

The quality of caring for the environment by protecting natural resources, and supporting long-term ecological balance.

ALUF'S CONTRIBUTION TO SUSTAINABILITY INCLUDES

REDUCE

We minimize the amount of plastic sent to landfills by recycling over 50 million pounds a year.

We are one of the largest recyclers in New York State.

REUSE

We reuse over 25,000 gallons of waste water each week.

Almost all inbound pallets are reused for shipments.

RECYCLE

60% of our product consists of content made from recycled material.

Our packaging is 100% recyclable.

RECLAIM

We reclaim and recycle over 8 million pounds of corrugate each year.

We've implemented in-house collection programs for office paper, cardboard, electronics and plastics manufacturing scrap.

Aluf Plastics Terms and Conditions

Returns

The Aluf Plastics tagline is “our reputation in every bag” — as we are very committed to ensuring customer satisfaction and providing quality product. In the event there is a need to return product to Aluf Plastics, a **Return Merchandise Authorization (RMA)** must be obtained by contacting returns@alufplastics.com within 7 days of delivery. The Request for Return Merchandise Authorization email should include the **Original Invoice Number, Date, Quantity, and Reason for Return**.

If a returned item is found to be defective or delivered damaged, returns with an RMA will be accepted at no outgoing freight charge and full credit will be applied to the customer's next invoice.

No credit will be given for custom/private label product, partially used packages or dead stock, unless defective.

All products accepted for return must be in unopened boxes, in resalable condition and are subject to a 15% restocking fee with no credit given for outgoing freight costs. After returned product is received in our warehouse, the amount paid for the product, less restocking fees (if applicable) will be credited on the customer's next invoice. Claims for shortages must be noted on bill of lading at time of delivery.

Product Warranty

User assumes all risks resulting from the use of our products and must confirm adaptability thereof by their own tests. Liability will not exceed value of the material sold. We reserve the right to employ various new technologies due to advances in the polyethylene industry which may alter the structure or configuration of material used to manufacture products. This does not void or change our warranty; the products supplied will function in a satisfactory manner.

Legal

Prices are subject to market changes and raw material price fluctuations. Prices quoted are firm for 30 days unless otherwise noted. Custom bags are subject to +/- 25% quantity unless otherwise agreed to in writing. All products are subject to +/- 5% overall tolerance.
