FIT-X

Powered by Coex Technology The Bag Fits Just Right

55 Gallon

44 Gallon

32 Gallon

Slim Jim
(26-gallon equivalent)

Coex Supertuff™ bags use up to 90% recycled content, are made with up to 20% post-consumer resin (PCR) and use up to 25% less plastic than traditional black repro bags, all without sacrificing any strength. The new Fit-X program takes Coex one step further by tailoring them to fit the most common commercial cans ... no more sloppy overhang, wasted plastic, or extra cost.

★ **BENEFIT**

No Overhang
Less Plastic Waste
Lower Costs
Professional Look

★ **DESCRIPTION**

Designed for a precise fit: clean, tidy, and professional. Right-sized bags use up to 20% less plastic vs. oversized liners. Smaller bags = less material, lower freight costs, and reduced disposal volume. No bag edges hanging over the rim, perfect for hospitality and offices.

PERFECT FOR:

- Facility Managers & Janitorial Services
- Food service & Hospitality
- Office & Building Maintenance
- Healthcare, Education, Municipal Buildings
- Any location using Slim Jim, 32, 44, or 55-gallon cans

Experience double the savings* with a Coex bag that's just as strong as traditional black repro bag and is now custom fit for your trash can
