

**Aluf can help your customers stay compliant with NYC's latest trash disposal guidelines—keeping their property clean and fine-free.**

**As of November 12, 2024**, all New York City properties with 1-9 residential units must use a bin (55 gallons or less) with a secure lid for trash.

These new rules also apply to special-use buildings receiving DSNY collection, including:

- ✓ City agencies
- ✓ Nonprofits
- ✓ Houses of worship
- ✓ Professional offices in residential buildings
