

Get the Perfect Fit

with our patented Y-Seal covers

Have you experienced loose-fitting covers with seals that catch and tear or gather water and dirt? Aluf Plastics created a solution just for you.

We've designed and perfected a unique Y-Seal to help safeguard your valuable products with cleaner lines that fits tighter. An exclusive to Aluf Plastics, the Y-Seal isn't available anywhere else.

			
Prevents Pooling	Superior Protection	Available in All Sizes and Gauges	Custom Printing
Keep water, dirt, dust and insects from collecting in baggy seal flaps	Provides better protection from the weather for outdoor applications	We will manufacture covers to your specific application and specs	We offer printing on covers, just send us your custom artwork/logo
