

HP MAT TWIN

The HP series Mattress bags are made from Prime Super Hexene super strength resin. This resin is extra high performance material and has superior strength than heavier gauge repro blend bags at a cost benefit. They keep your mattress and box springs clean during moving or storing while protecting against soil, dust and water damage. Bag is made of heavy-grade polyethylene.

- Antimicrobial odor control
- Mattress bag
- High Performance Clear Low Density Super Hexene Gusset Seal bags
- Made in the USA
- Heavy Duty
