

# RCM-44X

**OVER 80% RECYCLED CONTENT**

This line of can liners uses a trilaminate process designed to provide a lighter gauge bag without compromising strength, weight bearing load or elasticity. Made using our proprietary Elasticene blend and a minimum of 80% recycled content, these bags provide superior strength and durability. See more COEX videos

## Specifications

|                          |              |
|--------------------------|--------------|
| Item #                   | RCM-44X      |
| Package Qty.             | 100 per case |
| Mfr. Model #             | RCM-44X      |
| Gallon                   | 44           |
| Color                    | BLACK        |
| Gauge                    | 1.1          |
| Strength                 | 1.5 eq.      |
| Barcode                  | 73569204293  |
| Cases per pallet layer   | 10           |
| Layers per pallet        | 10           |
| Cases per pallet         | 100          |
| Cube                     | 0.52         |
